LED Reflector Spot Light

Dimmable BR 30: 13 Watt and BR 20: 7Watt

LED Spot Light 3-year warranty

5W LED spot light
GU10, Dimmable
Lumens: 300 LM
View angle: 45°

5W LED spot light
MR16, Dimmable
Lumens: 300 LM
View angle: 45°

8W LED spot light
Dimmable
PAR20, E26 base
Lumens: 450 LM
View angle: 45°

12W LED spot light
Dimmable
PAR30, E26 base
Lumens: 690 LM
View angle: 50°

17W LED spot light
Dimmable
PAR38, E26 base
Lumens: 1130 LM
View angle: 50°

LED Down Light 3-year warranty

Greentop 6" diameter LED Recessed down light. 30Watt power consumption with 2000 lumens output. Super Energy efficient and contains no mercury. Rated for 50,000 hrs. and comes with 3 year replacement warranty.

LED Light Bulb 3-year warranty

Greentop 7W and 12W LED bulbs are capable of producing 450 lumens to 700 lumens of light. It can replace a 40 Watt and 60 Watt incandescent bulbs. Super Energy efficient and contains no mercury. Rated for 50,000 hrs. and comes with 3 year replacement warranty.

7W LED light bulb
Dimmable
E26 base
Lumens: 450 LM
View angle: 120°

LED Tube T8 Retrofit 3-year warranty

Greentop 4' high-lumen 18W LED tube can replace fluorescent tubes up to 40 Watt. Super Energy efficient and contains no mercury. Rated for 50,000 hrs. and comes with 3 year replacement warranty.

Return on Investment~

The following factors will influence the savings realized by switching to LED lighting~

Type of lighting originally installed

Cost of Electricity

Electric utility rate structure

Number of lights retrofitted

Number of operational hours

Traffic LED Lighting

Greentop's internally illuminated, single-sided and double-sided LED street name signs enhance driver and pedestrian navigation.

LED Street Name Sign

Benefit~

High Quality

Manufactured in Canada

Clean Technology

Minimal Maintenance

Reliable

First Installation Service

Highly Visible

Local Support and Services

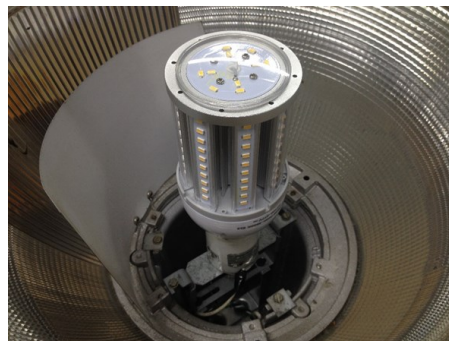

LED Special Crosswalk Sign

Enhance driver and pedestrian safety at uncontrolled crosswalks!

Greentop's internally illuminated, Overhead-mounted pedestrian sign gives drivers ample warning of the crosswalk and pedestrian presence. Double-sided LED illuminated pedestrian graphics warn drivers approaching in both directions. LED down light further improves pedestrian safety by illuminating the crosswalk.

LED Retrofit Bulbs

Light source: Samsung LEDs

120 lumens per watt

AC 100V-277V

Mogul base, IP 64

cUL listed

High quality with 5 year warranty

Available 27W, 36W, 45W, 54W.

Greentop's 36W can replace for 100W HPS bulb.

LED Retrofit Panel

65W; 6,500 lumens

Cree LEDs

Replace 175W HPS or MH

120W; 12,000 lumens

Cree LEDs

Replace 400W HPS or MH

Applications~

Industrial LED Lighting

LED Module Lighting

Available 40W module and 50W module. 40W module comes with 40W, 80W, 120W, 160W, 200W and 50W module comes with 50W, 100W, 150W, 200W and 250W. It can replace for LED street light, Tunnel light Down light, low bay and high bay lighting. Water proof IP68. High-lumen Rebel ES Philips LEDs.

LED Wall Pack

Available
18W, 1,650 lumens
28W, 2,380 lumens
Cree LEDs

Available
43W, 3,655 lumens
75W, 6,375 lumens
95W, 7,400 lumens
125W, 10,200 lumens
Cree LEDs
120 VAC, IP65

Available
43W, 75W, 95W
125W

LED Flood Light

Available
30W, 50W, 80W, 120W,
150W
High lumen LED chip
AC 120V, 60 Hz
IP65

Benefits~

Long life span.

Reduce energy consumption

Reduce maintenance cost

Local support and services.

Commercial LED Lighting

LED Square Panel

Available

1ft x 1 ft—20W

3000K: 1400 lumens

4000K: 1800 lumens

6000K: 2000 lumens

2 ft x 2ft—43W
